#001 **“GREEN POWER” AQUEOUS PARTS WASHING POWDER**.....Cleans and strips away wax, flux, coolants, oil, paints, optics, etc. Designed to separate oils and grease for weir bar and oil skimmers. Minimizes toxic waste removal. Brightens

- #418 **FABRIC SOFTENER** with anti-stat.....8.10

## FIREFIGHTING

- #470 **HOSE & TURNOUT CLEANER**..... 12.75GAL  
Cleans all water safe surfaces. Also use 127 citrus.
- #156 **TANK PROTECTOR**..... 10.95  
Treats holding tanks. Prevents rust/corrosion.
- #159 **WATERWETTER**..... 11.55  
Use 1/3 less water to put out fires.
- #453 **3% HIGH EXPANSION FOAM**..... 16.80
- #454 **3% AFFF FIRE FOAM (A&B fires)**..... 24.00
- #456 **3% AFFF ALCOHOL FIRE FOAM** ..... 24.70
- #425 **SUPPRESS (Vapor Suppress)**..... 19.20
- #471 **WATERWETTER/TANK PROTECTOR**..... 20.70

## MISCELLANEOUS

- #206 **CONCRETE BONDER** .....34.50
- #270 **INNER SEAL Concrete Water Proofer**.....17.10

## MISCELLANEOUS 12 X 1 QTS (Per case)

- #161S **RTU GLASS CLEANER**..... 49.50  
2 Trigger sprayers.
- #214S **NON-ACID BOWL CLEANER**..... 49.50  
Squirt caps.
- #214AS **BOWL & BATH THICK ACID CLEANER** .... 61.50  
Squirt caps.
- #750S **QUICK CLEAN ALL-PURPOSE**..... 49.50
- #107-117S **RTU ORANGE NATURAL** ..... 63.30

## ACCESSORIES

- #600 **DRUM PUMP - STEEL**..... 55.25
- #601 **DRUM PUMP - PLASTIC**..... 43.20
- #605 **TRIGGER SPRAYER**..... 5.25
- #606 **SPRAYER AND BOTTLE** ..... 6.75
- #613 **PUSH DOWN 1 GAL. DISPENSER** ..... 5.40

ALL PRODUCTS ARE DEVELOPED TO BE ENVIRONMENT CONSCIOUS

Prices Are Per Gallon Unless Marked Per / Lb.

SUPPLIERS OF JANITORIAL, OFFICE & SAFETY SUPPLIES, TOOLS ETC. [www.greenpowerchemical.com](http://www.greenpowerchemical.com).

---

aluminum, brass and copper. Use cold or hot. SAFE for ALL brands of aqueous parts washers, deburring, ultrasonics, floor scrubbers, pressure and steam cleaners. Low foam and free rinsing. No defoamer needed. Also available in liquid and neutral-pH. Works in hard, soft and deionized water. Phosphate free and rust inhibited. **CAUTION: Oakite, ZEP, Planisol or TASC** users, you may have to use less Green Power. Try 1 to 2 oz. per gallon, then increase if necessary.

**#002 "THE NATURAL" ADHESIVE AND RESIN STRIPPER**.....Replaces acetone, MEK, 1,1,1, trichloroethane and other flammable hazardous solvents. Strips away and dissolves urethane, epoxy, cyanoacrylate, polymer and other adhesives and resins, paints, etc. Safe for the environment. Cost effective by filtering. Example: 1 drum of "The Natural" can equal 10 drums of acetone, MEK, or 1,1,1, trichloroethane.

**#003 "RAPID RINSE" PROTOTYPE CLEANER** .....Stereolithography rinse agent. Removes Ciba-Geigy, Allied Signal, 3D Systems and other rapid prototype resins. Other uses: dissolves grease, oil, paint, adhesives and resins. Replaces flammable and hazardous solvents. High dielectrical strength makes an excellent electric motor degreaser.

**#004 "GREEN POWER" CONCRETE GLEEM**.....Low foam floor scrubber formula. Lifts the grease and oil out of the concrete pores for easy rinse or pick-up by floor scrubbers. Cleans and removes plastisols, paints, inks, acrylic cements, etc. Super concentrated, ½ to 1 oz. per gallon. One bucket makes 7-8 drums of cleaner. Saves valuable floor space.

**#005 "RUST BLOCK"**.....A powdered formula designed to be used in conjunction with "Green Power" Cleaner/ Degreaser or other aqueous cleaners to bolster rust inhibiting properties. "Rust Block" can also be used by itself to inhibit and block rust on cast iron and steel parts. Can be easily washed off for future painting or coating.

**#006 "CABLE SLICK"**.....Water-based, environmentally friendly, concentrated lubricant for wire sheathing lines Used in CV equipment to reduce friction at interface and drag points. 5-10% concentration with water.

**#040 "BUFF AWAY" BUFFING COMPOUND REMOVER**.....A water based cleaner specially formulated for rapid removal of Tripoli & Rouge buffing compounds.

**#050 STEAM CLEANER**.....A general purpose heavy duty formula. For use in steam cleaning equipment. Will not clog pipes or hoses or corrode machinery. Cleans all surfaces including aluminum and painted surfaces. Highly concentrated for maximum economy. Use on heavy machinery and machinery parts, mechanical equipment, general maintenance or vehicle chassis, industrial concrete floors, etc. Use approximately 2 to 6 oz. of liquid per gallon of water to clean most articles.

**#100 CITRUS POWER (POWDER)**.....A powdered degreaser with a high concentration of oil and dirt dissolving emulsifiers. Uses natural citrus solvents to offer excellent degreasing and deodorizing. Use for concrete cleaning, hard surface cleaning, and soak tank cleaning. The powder is orange in color and becomes a light green solution when mixed with water.

**#101 DEGREASER "0"**.....A high solids, cleaner and degreaser with the added cleaning power and the freshness of natural orange solvents. Degrease "0" is water dilutable and will instantly dissolve greasy, oily soils and wash dirt away. May be used by hand or with a high pressure machine.

**#101C CITRUS EXTRACTION CLEANER**.....Low-foam; specifically designed for carpet extraction equipment and mechanical scrubbers.

- #102 "OIL EATER"**.....This is a non-butyl solvent, concentrated all-purpose cleaner /deodorizer designed to emulsify and disperse soil, grease, oil and grime. An environmentally safe cleaner for use on oily areas. Use with a pressure washer for trucks and other oily surfaces (USDA).
- #103 GREEN POWER ULTRASONIC CLEANER**.....This product is an all-purpose cleaner that is specifically designed to be used in ultrasonic cleaners. Use 2 to 4 ounces per gallon of water to effectively clean soils and remove oil and dirt from surfaces in ultrasonic baths.
- #104 BLANKET AND ROLLER WASH**.....Evaporating wash designed for the printing industry. Simply wipe on and wipe off. Removes ink from blankets, rollers, and equipment. Dries without leaving residue. Elongates the life of rollers when used properly.
- #104A WATER MISCIBLE BLANKET AND ROLLER WASH**.....Designed for added economy.
- #105 ALKALINE COIL CLEAN/BRIGHT**.....Spray or soak, and rinse. Leaves shine. Non acid formula.
- #105A ACID COIL CLEANER**.....Acid coil cleaner dissolves scale, dirt and other soils on coils of air conditioning and refrigeration units. Also used to remove scale from air conditioning and boiler units.
- #106 BUTYL APC**.....Solvent based all purpose cleaner for tough, burnt-on carbon and greases.
- #107 ORANGE NATURAL 20 CONCENTRATE**.....A natural water dilutable citrus product that derives its strength from citrus extracts and biodegradable surfactants. This orange based formula removes black heel marks, tar, gum, asphalt stains, carpet stains, scuff marks, ink, oil, grease and a variety of other difficult soils from ceramic, Formica, glass, vinyl, tile and concrete. Use straight for solvent like degreasing action. Heavy soils use 15-20 oz. per gallon. Light soils use 4-05 oz per gallon.
- #115/110 ORANGE PLUS DEGREASER 80 / ORANGE GREASE DIGESTER**  
100% natural super citrus degreasers for the quickest acting natural degreasing. Can be diluted with water for degreasing or odor control. Use by drip or pouring in drains and grease traps to clean and de-clog. Use for maintenance of grease traps and drains to prevent build-up. Removes grease, tar, ink, decals, grime, dirt, etc. Use on tools, equipment cables, tire marks, lift stations. Note #115 can be made non-emulsifiable for floating lift station degreaser if requested. #115 Forms a milky stable emulsion when mixed with water. #110 will dilute almost clear with water.
- # 117/116 ORANGE PLUS DEGREASER SUPER 100 / ORANGE PLUS**  
A super strength product that derives 100% of its power from solvents extracted from orange peels. This product contains no chlorinated solvents or harsh chemicals and is not corrosive. The natural product will clean and deodorize in one step. Use for all purpose degreasing, and removing tar, asphalt, and tire marks. Also effective for tile and tub cleaning, spot removal, and many other thorough cleaning jobs. Use this product where a tough solvent is needed and environmentally safe products are demanded.
- #118 CITRA-LIFT ORGANIC LIFT STATION CLEANER**.....100% Natural floating degreaser. Designed specifically for cleaning lift stations and controlling odors. Step 1: Quickly forms an odor barrier by floating and capping lift station. Step 2: Creates a pleasant smelling citrus environment. Step 3: Quickly saponifies grease and organic obstructions. A revolutionary, safe

---

formula that floats up and down with the rise and fall of the station platform, keeping the sides of the station clean. CITRA-LIFT cleans off soil, dissolves grease and oil, softens solid waste, and eliminates objectionable odors.

**#119 "OG" ORGANIC**.....A unique, NATURAL, cold solvent, degreaser and deodorizer contains a natural organic citrus solvent derived from orange peels. This solvent is designed to remove dirt, grease, oil and grime from metallic and non-metallic surfaces. Cleaning is quick and simple without the danger or injury to working parts. Ideally suited for use on electric motors, electronic equipment, ignition systems, generators, power tools, etc. Also used on air conditioning, refrigeration and all types of mechanical equipment. It is a highly effective, waterless cleaner, with high solvency and low toxicity, designed for use in all types of industrial degreasing operations.

**#120 ORANGE SOLV (EMULSIFIABLE DEGREASER)**.....This product is a solvent degreaser. Dilute with kerosene or other inexpensive solvent. It is designed to be a low cost, but effective, emulsifiable degreaser, without the traditional solvent odors. The citrus solvent makes this more effective, easier to use, and more marketable than traditional emulsifiable degreasers.

**#121 GRAFFITI GONE**.....A PAINTABLE graffiti remover used to dissolve graffiti and make removal of unsightly markings fast and easy. This formula does not use toxic chemicals such as methylene chloride. Graffiti gone will remove most paint, ink, lipstick, magic marker and other forms of graffiti. This product works best when used with hot water under pressure to wash off.

**#122 PAINT, GRAFFITI, AND VARNISH REMOVER**.....Viscous stripper for removing the toughest coatings from vertical or downward surfaces. Quickly and easily removes the toughest paints and graffiti. This product is an efficient product for removing old varnish and urethane from wood or concrete floors. Pour or brush on, wait a few minutes then brush or wash away old coatings.

**#123 THIN PAINT AND GRAFFITI REMOVER**.....A similar product to #122. This thin formula may be brushed on or immersed parts into solution.

**#124 GRAFFITI GUARD**.....A clear coating used to form a barrier between surfaces and graffiti. This product makes graffiti less damaging to surfaces it is applied to. Graffiti guard creates a barrier so paints do not penetrate surfaces. This action makes graffiti removal quick and easy. ATTENTION! CITY, STATE AND FEDERAL AGENCIES. GREEN POWER WANTS TO HELP IN THE WAR AGAINST UNSIGHTLY GRAFFITI. WE WILL DISCOUNT OR CONTRIBUTE THIS PRODUCT.

**#125 OVEN AND GRILL (JELL)**.....This high-alkaline, thick oven cleaner offers positive removal of baked-on grease and burnt carbon. The jell formula clings to vertical surfaces. Brush or wipe on, let stand, then rinse. Use on ovens, grills, fryers, stoves, waffle irons, etc.

**#126 OVEN AND GRILL (NON-JELL)**.....A liquid oven and grill cleaner. This product has free alkali and sequestering agents that remove grease and burnt on carbon. Fast acting formula is sprayed on surfaces and wiped or rinsed off.

**#127 2020 MULTI PURPOSE**.....Hi foaming, approved, multi-purpose butyl type cleaner. This formula has a high concentration of biodegradable detergents. Mild to hands. Use for general maintenance and vehicle cleaning. Low alkalinity.

- #128 NEUTRAL pH CLEANER**.....Mild viscous cleaner. The perfect product for cleaning and maintaining finished floors. Does not harm finish or affect surface gloss. Excellent mild general purpose cleaner with controlled sudsing. Used for marble, wood, linoleum, finished floors, and water safe surfaces.
- #129 NEUTRAL pH SPRING DETERGENT**.....A mild neutral cleaner, deodorizer. Controlled foaming with fresh scents. Concentrated product for economical cleaning for finished floors and other hard surfaces.
- #130 SASSASHINE FLOOR MAINTENENCE CLEANER**.....One step floor maintenance cleaner. Cleans, buffs and shines all in one effort, preserving your floor wax shine. Neutral pH.
- #135 VEHICLE WASH**.....Concentrated blend of mild alkaline detergents and synthetic wetting agents to effectively clean vehicle surfaces. Requires minimum agitation of the surface and is free rinsing. Can be used manually or mechanically. Use on buses, trucks, trailers, planes, etc.
- #135A WASH & WAX**.....Mild, high foaming automobile and vehicle wash with wax to wash away dirt and rinse free. Leaves luster without leaving film. Dilute 1 to 4 oz./per gallon.
- #136 TRUCK WASH (powder)**.....Clean shine formula. Easily washes road grime.
- #136A CPW 2001**.....Extra strength formula for cold pressure vehicle, truck and bus washing.
- #137 AUTO WASH**.....This car wash is a blend of emulsifying agents and detergents. Emulsifies dirt and road film rapidly. It is a high sudsing and free rinsing concentrate. The non-streaking formula is used manually and is mild to hands.
- #138 SPEED STRIPPER**.....New no rinse floor stripper. Solvent floor stripper dissolves, finishes without the use of alkalis or ammonia. Saves labor and time, does not require a stripping pad.
- #139 BLITZ STRIPPER**.....Strong stripper that removes all floor polishes including detergent resistant waxes and acrylics. This economical one-step stripper emulsifies the old finish and can be picked up with a wet vacuum.
- #140 SYNTHETIC STRIPPER**.....Effective acrylic and wax stripper. This powerful stripper removes old wax and finish quickly. Synthetic stripper is made to be used straight or dilute with up to 10 parts water. Mop on and mop off or use stripping pad for difficult areas. Rinsing is required before applying new finish.
- #141 AMMONIATED SYNTHETIC STRIPPER**.....#140 with ammonia.
- #142 ANTI-STAT LIQUID**.....Clear liquid used to inhibit static build-up and dissipate static charge. Use on floors and carpets.
- #145 PINK LOTION SOAP**.....New formula rich, thick, pearled lotion soap with almond scent. Leaves hands clean without drying skin.

- #146 HAND SOAP (15%)**.....Coconut oil hand soap available for washing hands without drying. Good sudsing, non-harsh, natural soap. Available in 20% and 40% upon request.
- #147 POWDERED HAND SOAP**.....Borax based soap combination for superior cleaning with out drying or chaffing hands.
- #148 HAND/DISH WASH (POWDER)**.....Mild to the hands, but tough on the cuisine.
- #149 HAND/DISH WASHING LIQUID**.....A lemon scented, thick, hand, dish, and glassware cleaner. A very mild concentrate detergent cleaner designed to effectively clean kitchen utensils by hand.
- #150 MEDICATED HAND SOAP**.....A concentrated lotion / hand soap with emollients and a clean scent. Designed to clean and condition hands and leave them germ free.
- #151 CITRUS GRIT HAND CLEANER**.....A waterless, grit, hand cleaner, with the added cleaning power of citrus.
- #153 RUG SHAMPOO**.....Concentrated dry foam formulation. Dilute up to 16 parts water. Effectively cleans rugs, carpets and upholstery. Shampoo, let dry and vacuum. Cleans, brightens and freshens.
- #154 CARPET STEAM EXTRACTOR**.....Economical formulation designed for extractors with optical brighteners to revive dull appearance. Use 4 to 8 oz. per gallon to clean carpets and rugs of dirt, traffic stains, etc.
- #155 DEFOAMER**.....Concentrated liquid used to stop or destroy foam wherever control is required. Use anywhere, from sewage plants to steam extractors.
- #156 TANK PROTECTOR**.....A clear, odorless product designed to protect metal holding tanks against rust and corrosion.
- #157 SAND & SILT**.....A suspension of high molecular weight polymer that is used to break up deposits of mud, silt, and dirt, putting them in solution.
- #159 WATER WETTER**.....A formulated blend of non-ionic wetting agents designed to aid in wetting or reducing the surface tension of water. This allows deeper penetration, quicker drainage, and drying time. Uses: Golf courses, lawns, caretakers, and fire fighting and dust control.
- #160 GLASS CLEANER (CONCENTRATE)**.....Dilutable up to 16:1 with water. This ammoniated glass cleaner is designed for industrial glass cleaning. Wipes away dirt, grease, grime, fingerprints, and film quickly and easily.
- #161 GLASS CLEANER RTU**.....Ready to use glass and surface cleaner. Manufactured from treated and filtered water for streak free sparkling clean surfaces.
- #162 POT & PAN**.....Super sudsing concentrated cleaner for the most economical cleaning. Extra mild pH balanced, high foaming, free rinsing formula. Soak pots and pans to remove stubborn grime. Gentle enough to use on glassware for flatware.
- #163 DRY GAS (GAS ADDITIVE)**.....Cleans engines and prevents gas lines from freezing.
-

- #164 WINDSHIELD ANTI-FREEZE**.....Concentrated methyl alcohol based cleaner. Dilutable formula for use in summer and winter. Keeps reservoirs and spray from freezing and effectively cleans windshields from road dirt and soils without streaking. Quick drying.
- #165 LIQUID ICE MELTER**.....Spray on surfaces to prevent ice formation. Instantly melts ice from surfaces. Use on driveways, sidewalks, ramps, etc.
- #166 ANTI-FREEZE**.....Concentrated automotive antifreeze. Prevents overheating. Cleans radiators and prevents corrosion and rust.
- 167 SYNTHETIC CUTTING FLUID**.....Concentrated lubricant for cutting, grinding, and boring of steel, iron, stainless, aluminum, brass, etc. Made with corrosion and rust preventatives to protect fresh metals. Dilute up to 1:40.
- #168 TILE & GROUT (ACID)**.....A viscous, mild acid cleaner that removes scale, rust and stains in bathrooms and on tile floors and walls. Uses a combination of safe acids with surfactants and fresh scents for effective cleaning and economy.
- #169 TILE & GROUT (NON-ACID)**.....Concentrated cleaner specially designed to remove soap scum and mineral deposits found in bathrooms and on tile surfaces. This product is non-acidic for maximum safety. Leaves surfaces sparkling clean and fresh smelling.
- #170 COOLING TOWER TREATMENT**.....A complete conditioner for cooling tower systems. Special blend of inhibitors that prevent corrosion caused by various unlike metals from oxidation in water systems. Conditions metal surfaces in water while controlling pH, scale and internal parts.
- #171 SWEEPING COMPOUND**.....Green dry material for all hard floors. This wax coated product make clean up fast and dust free. Save time and labor (Contains no sand).
- #172 SPILL ABSORBENT**.....Inert clay is a dust free type absorbent. Absorbs oil or water based spill. Use on any spill for fast absorption, drying and clean up. Use on any type of floor.
- #173 BOILER WATER TREATMENT**.....Complete treatment for boiler systems. Treats water with softening agents, rust and corrosion preventatives, pH control and oxygen scavengers (#173A for steam boiler treatment).
- #174 SOLUBLE CUTTING OIL**.....A premium petroleum based coolant for all metal working applications. Ferrous and non-ferrous metalworking. Mixes readily with water to form a stable emulsion. Premium lubricant for cutting and grinding with superior rust and corrosion protection. Dilute 1:40 for most applications.
- #175 CLING TYPE COIL CLEANER**.....Non-caustic non-acid cleaner designed to remove build-up on tins and coils of air conditioning and refrigeration units. Automatic no rinsing formula. Spray on unit and normal condensation of the unit will rinse off. Hydroscopic formula clings to coils protecting them and keeping them clean while unit runs. This may be used as an adhesive for filters. Dilute 1:6.

---

**#176 OXYGEN SCAVENGER**.....Prevents corrosion and pitting

**#177 SOOT BE-GONE**.....Spray on surface of boiler to remove built up soot.

**#178 RINSE AID**.....Product is designed to make water wetter in dishwasher environments. Rinse aid will make water rinse off surfaces faster, making them dry quicker and spot free.

**#179 AMINE ADDITIVE**.....Amine water treatment.

**#180-193 FLOOR FINISH**.....Acrylic emulsion polish. Offers long lasting, non-slip shine. Water resistant scuff mark resistant and non-yellowing. May be buffed or maintained with a neutral cleaner. #180 & 182 are good to patch and re-coat. #183, 186 and #188 are the standards for finishing freshly sealed or stripped floors. Use 25% for one time application.

**#195 DURA SHINE**.....This formula is a hard finish designed for heavy traffic areas. #195 has excellent adhesion for porous surfaces. This characteristic makes #195 the best choice for stone or terrazzo.

**#196 REVITALIZE**.....A must for all finish maintenance. Three products in one. Use straight for patching worn areas. Dilute 1:1 to revitalize dull finishes, or dilute 1:2 parts water for spray buffing. Contains optical brighteners and leveling agents to add life to dull and worn finishes. Use of this product reduces stripping and saves labor and money.

**#197 SPRAY BUFF**.....Spray buff is applied to floor and buffed with low or high speed machines. Make dull or worn finishes shine like new.

**#198-202 ACRYLIC SEALER**.....Hi gloss polyacrylate emulsion undercoater. Seals floors and prepares them for finish. Use on terrazzo linoleum, vinyl floors, etc. A very tough sealer for renovating and protecting any floor surfaces. Lasts through multiple stripping operations. Use prior to waxing floors. May also be used as a water based protectant and seal on concrete floors and structures.

**#203 ACRYTHANE**.....A urethane/acrylic blend for sealing concrete and stone. A tough acrylic sealer with the added adhesion and durability of urethane.

**#204 DUST MOP TREATMENT**.....Water based dust mop treatment designed to trap dust and make clean-ups more efficient and effective.

**#205 DUST MOP TREATMENT**.....Oil based dust mop treatment traps dust in air and on floors. Cleans and restores shine.

**#206 CONCRETE BONDER**.....Concrete bonder acrylic adhesive makes concrete repairs that hold. This product contains an exceptional acrylic polymer formulation that insures strong, permanent bond between new and old concrete, mortar, or plaster. Just brush it on any clean sound surface and apply the new cement mix. Use inside or outside. This product will increase bonding strength 8 to 10 times when applied as directed. Eliminates the need to chip or roughen the area to be resurfaced or repaired.

---

- #210 METAL PREP**.....Phosphatizing agent used to clean and etch metal surfaces to prepare them for paint adhesion. Removes rust and leaves a hard, protective phosphate coating, dramatically retarding the reoccurrence of rusting.
- #211 HEATING AND COOLING SYSTEM DESCALER**.....Descales without the use of hydrochloric acid. Effectively descales the lime, slime, and algae that rapidly build up in condenser coils, pipes, circulating heating, and cooling systems. Color-coded product makes it easy to use. Product is red when put in system. If it turns blue after flushing system, there is additional scale in system which needs to be purged by administering another treatment.
- #212 FREEZER/LOCKER CLEANER**.....For quick removal of labels, fruit juices, blood proteins, etc. on freezer floors and racks.
- #213 FOAMING MEAT ROOM DEGREASER**.....High clinging foam which dissolves heavy meat and blood proteins.
- #214 NON-ACID BOWL CLEANER**.....A clinging formula specially designed to break-down proteins and stains that are common to restroom environments.
- #214A ACID BATHROOM AND BOWL CLEANER**.....Same as 214, but acid form.
- #215-217, 218 MURIATIC ACID CLEANER, RUST/STAIN CONCRETE REMOVER**  
Inhibited solution of HCL. Cleaner and deruster. Dissolves scale, lime and mineral deposits and rust. Used to treat and delime concrete floors prior to sealing and painting. An excellent concrete and mortar remover to remove excess concrete from trucks and equipment. Use to descale and delime boilers, and bring pH down.
- #219 METAL BRIGHT**.....Used to clean and brighten all aluminum and stainless parts including truck bodies and trailers.
- #220 COPPER AND BRASS BRIGHTENER**.....Mild acidic, surfactant blend to brighten and polish copper and brass.
- #221 RUST REMOVER**.....Phosphoric acid cleaner designed to remove rust from iron and steel. An ideal pretreatment for all galvanized surfaces prior to painting. Use for cleaning and removing milkstone.
- #225 LIME & SCALE REMOVER NP**.....Highly concentrated product used to descale and delime surfaces such as dishwashers and glassware. Revolutionary product uses mild non-phosphate acids to dissolve scale and lime. Use at 1:30 with water.
- #230 EMULSIFIABLE DEGREASER**.....Removes and solubilizes oils and grease from all surfaces. Heavy duty degreaser motor cleaner, and garage floor cleaner. May be used full strength or diluted 1:6 with cheaper solvent. Non-caustic. Cleans by emulsion. Flush with water under pressure.
- #231 SAFETY SOLVENT BLEND**.....Hi-flash safety solvent. Evaporating electrical equipment degreaser. A cold degreaser that can be used while electrical equipment is in place. Removes oil, grease, dirt, and wax from metal machinery and parts.
-

---

**#232 TAR & ASPHALT REMOVER**.....Solvent blend with emulsifiers. Uses: Dissolve and clean tar, pitch, asphalt, oil and grease from floors, brick, asphalt spreaders, road machinery, shovels, etc.

**#233, 233A JELL DEGREASER**.....The right jell degreaser for any surface, including the undersides of any and all equipment. Emulsifies grease, tar, asphalt, and bitumen from everything including painted surfaces, metal, concrete, brick, and stone. Will not harm original surface. 233A is citrus form.

**#250 FORM OIL**.....Versatile form release oil for use in pre-cast and on-site operations. It can be safely used on a wide variety of surfaces including structural members, buildings, foundations, septic tanks, etc. Use to protect metal forms and treat and protect new metal.

**#251 SAFETY SOLVENT HT DEGREASER**.....Unique, non-chlorinated, non-corrosive solvent based product that instantly penetrates, degreases and cleans mechanical and electrical equipment components without disassembly. Solvent can be used in soak tank or spray and wipe on parts. This degreaser features a very low odor and high flash point.

**#252 STAINLESS STEEL POLISH**.....A light oil for cleaning and shining stainless and aluminum. Spray on rag or surface and wipe with clean, soft rag. Removes oils and fingerprints, and leaves a long lasting shine. Pleasantly scented with citrus.

**#253 SILICONE LUBRICANT**.....Solvent blend that lubricates, water-proofs, and prevents rust. May be sprayed on or wiped on metal, rubber, plastic and painted surfaces.

**#254 SNOW PLOW WAX**.....Spray on snow plow blades to create a long lasting invisible barrier that shields the surface making a “non-stick” coating allows snow to flow easily over blades surface without catching.

**#255 ANTI-ADHESION**.....Gives a long lasting invisible barrier that protects any smooth surface during mortaring and plastering operations. This may be dipped, brushed, or sprayed on surfaces. Designed to coat truck bodies and beds for easy removal of hard concrete and mortar products.

**#256 RUST PREVENTATIVE (WATER DISPLACER)**.....A concentrated versatile formulation that prevents rust and corrosion on small equipment tools, cranes, etc. May be dipped, brushed, or sprayed. Treat equipment at end of season to create a weather proof coating that protects equipment from elements when they are not in use. Remove coating with mineral spirits or alkaline cleaner.

**#257 PENETRATING OIL**.....Powerful lubricant that frees rusted, frozen and corroded parts. May be dipped or sprayed on affected areas.

**#258 FUEL OIL ADDITIVE**.....Effectively dissolves accumulated sludge formation, eliminates rust and corrosion and disperses moisture and any other insoluble material that clogs untreated systems. Increases the lubricity of fuel. This clean, free flowing oil passes through nozzles, strainers and burners easily and uniformly resulting in more complete combustion, better fuel efficiency, reduced maintenance costs and longer equipment life.

**#259 DIESEL FUEL ADDITIVE**.....Assures safe, economical combustion of fuel at the lowest possible cost. Dissolves and prevents sludge, absorbs moisture, inhibits rust and keeps the system clean. Contains lubricity agents for today’s low sulfur fuels.

**#260 SMALL PARTS-WASH SOLVENT DEGREASER & EXTENDER**.....Solvent used for degreasing small parts and tools. Removes oil and grease. Also used as a solvent extender for solvent dilutable products.

**#261 CABLE JELLY CLEANER**.....A cherry scented solvent for removing jelly and grease from cables and telephone equipment. Quick action and pleasant odor.

**#262-266 POLYURETHANE**.....A clear urethane finish and sealer for concrete, wood, gym floors, brick, stone, metal mosaic, and equipment. Use to protect and coat surfaces. Beautifies and elongates the life of wood surfaces. Available in 30% 40% and new 50% solids for fastest drying and less volatile organic solvents.

**#267 PROTEK TIRE & VINYL DRESSING**.....White water emulsion formulation brings life back into dull rubber tires, vinyl tops, canvas, awnings, and other surfaces. This product makes surfaces water proof to withstand multiple washings. Contains anti-stat to resist dirt, dust, and brake dust. Concentrated and long lasting.

**#268 TIRE SHINE**.....A premium blue solvent to complete a total detail for auto tires and vinyl component surfaces. This is a one step product that does the work for you. Total Looker gives a high gloss and deep coating in one easy step.

**#269 WHITE WALL TIRE CLEANER**.....Quickly removes road film and break dust from white walls.

**#270 ANTI GEL**.....All purpose fuel additive for diesel or heating fuel. Unique product has all the features of #259 with the added feature of lowering the pour point of fuel for cold weather conditions. Use at 1: 000 up to 1:4000 gallons of fuel.

**#275 INNER SEAL**.....Effective in making concrete harder, dustproof, oil proof, acid-resistant and moisture-resistant. Inner Seal is an alkali activated chemical-penetrating concrete sealer unlike any other product on the market. When Inner Seal is applied to a concrete surface, it soaks down through the pores of the concrete 118 to 114 inch. This product reacts with the lime in concrete. In the presence of moisture, it forms a hard, insoluble gel within the pores, thus closing the small voids. Unlike surface coatings, this is not worn down by heavy traffic.

**#280A POWDERED ENZYMES**.....A mixture of specially developed strains of bacteria plus active enzymes for faster results. Designed to digest complex proteins, starches, fats, cellulose and vegetable gums. Use in septic tanks, municipal treatment systems, and trap and drain treatment. These enzymes open and clean septic tanks, cesspools, grease traps, sludge lagoons, and sewage treatment systems. Once activated, the enzymes keep multiplying making them an economical, long-term answer, to grease trap and sewer maintenance.

**#281 PORTA-ZYME**.....This bacteria/enzyme system incorporates a high level of odor counteractant and dark blue color indicator to create an environmentally friendly, portable toilet solution. A high performance product that uses nature's own waste digestion process to aggressively destroy odors instead of hiding them behind fancy perfumes and dyes. Porta-zyme is a fast acting enzyme plus bacteria product that continuously works to reduce solid accumulation and destroy odors at their source. Porta-zyme liquefies organic wastes, destroys odors, is biodegradable, and contains no formaldehyde's or quats.

**#282 LIQUID ENZYMES**.....Highest concentration blend of bacterial strains plus active enzymes for fast results. Use to liquefy waste and mobilize grease. Works to prevent clogging. Restores and revitalizes naturally.

- #285 ALKALINE DRAIN OPENER**.....2 x 1 quarts per case. Caustic drain opener opens clogged drains without the hazards or fumes of acid.
- #286 ALKALINE POWDERED DRAIN OPENER** .....Effective powdered drain opener. Penetrates blockage fast. Absorbs grease and fats quickly. Use for cesspools, drains and grease traps
- #290 LIFT STATION CLEANER**.....High alkaline water soluble lift station cleaner. Liquefies greases and fats keeping lift station free of obstructions.
- #295 WATERZYME**.....New enzyme combination that offers all the benefits of super liquid enzymes plus the benefits of immediate odor control from powerful odor eliminators added into the formula. Waterzyme contains 200 billion spore count of a blend of “friendly” enzyme producing bacteria. Waterzyme also offers added detergents, wetting agents, and emulsifiers making it an environmentally safe cleaner for urinals, showers, pet stains, and organic soils. Use as waste digester, trap and drain cleaner, municipal collection systems, carpet and fabric care, laundry spotter, urinal cleaning, and odor control in stalls, and floor drains.
- #300-325 DEODORANT CONCENTRATE**.....A long lasting concentrated formula designed to mask odors with a powerful smell of orange, cherry or lemon. Use to create a more pleasant smelling environment wherever undesirable odors are present or where a pleasant fresh odor is desired. This is very concentrated and made to be sprayed around rooms, dripped into smelly areas, or added to detergents, mop water or steam extractors to leave a pleasant odor while cleaning. Other fragrances available: Spring Mint, Peach, Apple, Pine and Baby Powder.
- #330 CHERRY SCENT ODOR CONTROL GRANULES**.....Highly absorbent cherry granules. Use to absorb spills and eliminate malodors immediately. Sprinkle around foul odors for a long lasting odor neutralizer. Use in cigarette urns, ashtrays, and as a vomit absorbent. Sprinkle in dumpsters to create a pleasant environment.
- #331 FLOATING DEODORANT**.....Non-water miscible deodorant. Use to float on lagoons and ponds to cover foul odors.
- #332 ODOR ELIMINATOR**.....This unique concentrate will eliminate any and all odors safely. ODOR ELIMINATOR will neutralize, not mask odors, by chemically coating odor carrying molecules. When sprayed, ODOR ELIMINATOR had a light lemon scent designed to briefly mask odors while the product works to eliminate odors. After a few seconds, the lemon odor will be gone along with any undesirable odors. Apply by fogger or spray, as a surface spray or on airborne odors. Use in filters. Use anywhere undesirable odors are to be eliminated and not replaced with another scent, i.e. garbage, dumpsters, in restaurants, morgues, kennels, disposals, etc. Add to mop water to clean and eliminate odors.
- #335 ASPHALT AND DRIVEWAY SEALER**.....Leaves a renewed surface, beautified and protected. For inclined road service, sand may be added.
- #336 ASPHALT CRACK FILLER**.....Rubberized material that will last through years of expansion and contraction.

**#340 EPOXY KIT WITH AGGREGATE**.....A 5 gallon pail containing 1 unit of resin, 1 unit of hardener and aggregate for the strongest possible patch on concrete. This 100% epoxy concrete patch & repair kit is used on sidewalks, driveways, basement floors, bricks and stones, steps and walls, etc. Designed for use on floor areas which are subjected to abrasive traffic, impact and corrosive spillage.

**#341 LATEX PATCH**.....A trowelable system designed for resurfacing and repairing concrete and masonry surfaces. Kit consists of a fine powder and an acrylic latex liquid binder. It makes a trowelable mixture applied over a dampened surface at an average thickness of 1/8”.

**#345, 353 EPOXY KIT**.....A patch and repair kit containing resin and hardener. No aggregate. Use for patch and repairs on hard surfaces. May be brushed or rolled on to floors for a protective and extremely hard surfaces. This 100% epoxy can be used on stone surfaces, in plants, on bricks and stones to create a protective seal and protectant. Can also be used to fill and patch cracks, holes, breaks and cracks. Helps to water proof and create a chemical resistant surface.

**#355, 357 POLYESTER PATCH**.....Fast setting patch with ability to be used in freezing temperatures. These patch products can be used to repair, resurface, skidproof, seal and waterproof. #355 contains resin, hardener, and catalyst for resurfacing and filling cracks. #357 contains resin, hardener, and a catalyst with aggregate for a heavy patch used to fill and repair holes.

**#360 NON-SKID EPOXY KIT**.....Produces a very hard and durable protective surface. Mix resin.

**#365 POTHOLE FILLER**.....A ready to use all weather cold patch. Repairs chuck holes instantly. Just cover area and tamp down. Used in loading areas, parking lots, driveways and walkways.

**#370 ACID ACTIVATED STRIPPER**.....Acid activated dip tank stripper for the toughest epoxy, vinyl and other resin finishes. Requires special handling.

**#375 CLEARCOAT STONE AND METAL SEAL**.....A clear acrylic coating for concrete, stone, slate and steel surfaces. This product will form a hard and durable waterproof coating and enhance the look of any masonry surface. This product provides longer life and resistance to wear from weather and sun.

**#380 QUICK KLEEN RTU**.....Ready to use butyl cleaner. Spray on and wipe off. Powerful product removes dirt, grease, crayon, ink, and other soils without leaving and residue.

**#385 PINE SCRUB SOAP**.....Natural oil soap fortified with pine oil and surfactants for the most effective cleaning and deodorizing. Floors may be buffed after applying.

### **#386, 395 & 396 PINE, LEMON AND MINT CLEANER, DEODORIZER, DISINFECTANT**

Effective against a wide variety of gram positive and gram negative bacteria. Also makes an excellent deodorant and is especially advantageous in controlling odors that are bacterial in origin. Excellent and economical for hard surface cleaning on walls, floors, toilets or anywhere that dirt and/or odors are a problem. New formula contains no alcohol or VOC's. Must be used according to label and registered with federal and state governments.

**#400-405 DEODORIZING CLEANERS**.....Economical formulas designed for cleaning and deodorizing surfaces. Available in odorless or with lemon, mint, and pine odor. Cleans, eliminates malodors and freshens areas.

**#410 ODORLESS DISINFECTANT/CLEANER**.....New registration designed to clean, disinfect, and sanitize. Use as a mildewstat, a virucide and a fungicide. Proven effective against (HIV-1) AIDS VIRUS on pre-cleaned environmental surfaces or objects previously soiled with blood or body fluids. Use rate for cleaning and disinfecting is 2 oz. per gallon. For sanitizing use 2 oz. Per 3.5 gallons of water.

**#415 COOLING TOWER ALGAEICIDE**.....A concentrated water treatment product that inhibits and controls algae and slime formation in cooling tower systems. Use this concentrated algaecide for industrial re-circulating water cooling towers. Helps keep water cooling tower systems clear and free of visible algae slime.

**#416 LAUNDRY DETERGENT (POWDER)**.....Cleans, brightens, and conditions.

**#417 LAUNDRY DETERGENT (LIQUID)**.....Cleans, brightens, and conditions.

**#418 FABRIC SOFTENER**.....Specially designed for all water conditions.

**#425 VAPOR SUPPRESS**.....This product is designed to reduce the fire hazards associated with flammable liquid spills. Its concentrated formula will emulsify fuels, oils, and hydrocarbons with water. The emulsion will suppress flammable and combustible vapors, significantly reducing the fire hazards associated with the vapors.

**#453, 454, 456 FIRE FIGHTING FOAMS**.....A variety of concentrated liquids designed to be applied through aerators at 3%. When used properly, these foams will put out fires quickly and effectively. Special ingredients in these foams make re-ignition extremely difficult. #453 (High Expansion Foam for wood or grass) #454 (AFFF foam for class A & B fires) #456 (AFFF foam for alcohol fires as well as A & B fires).

**#470 HOSE & TURNOUT CLEANER**.....Cleans all water safe surfaces. Also use 127 citrus.

**#471 WATER WETTER/TANK PROTECTOR**.....Wetting agent for fire fighting, turf conditioning, and dust control. Increases wetting efficiency of water. An aid for stubborn, smoldering fires. Helps sheeting morning dew on golf courses. "Water Wetter" is also used as a spray to hold down dust on ball fields.
